INTEGRUS ARCHITECTURE STEPS UP TO THE TEE AND RAISES MONEY FOR THE BOYS & GIRLS CLUBS OF SPOKANE COUNTY

SPOKANE, WASHINGTON (Friday, August 13) – On Thursday, August 12th, Integrus Architecture held its 2nd Annual Golf Scramble for employees at the beautiful Indian Canyon Golf Course. This year, 36 golfers competed for various awards including closest to the pin and best dressed. As part of its tournament, employees at Integrus Architecture added a new component - an opportunity to give back to the local community. In total, Integrus donated approximately \$900 in cash and gift cards to the Boys & Girls Clubs of Spokane County to help get its members ready to go back to school.

"Integrus has always supported our local community," said Preston Potratz, a Principal at Integrus Architecture. "As we discussed possible beneficiaries of our staff golf tournament, we wanted to find an opportunity where everyone in the firm could see the direct benefit of our assistance. We are particularly happy to be able to provide supplies for the upcoming school year. We admire the goals of the Boys and Girls Clubs and are honored to support their mission."

Earlier this summer, Integrus Architecture and the Boys & Girls Clubs joined forces for the first time during the 2010 Zak!Charity Open. As a new sponsor of the three day event, Integrus was involved in helping raise approximately \$400,000 to benefit local kids in need at the Boys & Girls Clubs of Spokane County and Rypien Foundation.

"It is remarkable to see that not only is Integrus Architecture a leader in its industry, but a company dedicated to charitable giving and employee generosity," stated Boys & Girls Clubs of Spokane County's Special Events/Marketing Director Erin Freehan."Their support both from the Golf Scramble and the Zak!Charity Open this year will ensure we can continue to provide critical services and programs to nearly 3,000 at-risk area youth."
