## FOR IMMEDIATE RELEASE

### **SPOKANE FAMILIES DONATE GENEROUSLY DURING JCPENNEY'S FALL BACK TO SCHOOL "ROUND-UP"**

*SPOKANE, WASHINGTON* (Friday, August 27) – Thanks to funds raised through the “Round-up” campaign held at the JCPenney store in the Valley Mall, more at-risk children will continue to benefit from the educational opportunities currently offered by the Boys & Girls Clubs of Spokane County. From August 4th-17th, JCPenney customers were invited to “round-up” their JCPenney purchases to the nearest whole dollar and donate the difference to the Boys & Girls Clubs of Spokane County. Donations raised at JCPenney’s second “Round-up” event of the year generated \$2,366 and will be used in an effort to strengthen and expand its afterschool programs at three club branches that impact nearly 3,000 area youth.

Over the years JCPenney has partnered with the Boys & Girls Clubs of Spokane County to provide children in need with access to life-enriching afterschool programs that foster their academic, physical and social development.

Recent studies show that more than a quarter of America’s school children are on their own between the hours of 3 p.m. and 6 p.m. each day.\* More parents seek the resources to enroll their children in a beneficial afterschool program that help kids develop social skills, provide opportunities to be physically active and achieve academic success in school. JCPenney’s continuing support and commitment to the afterschool cause has made it possible for more children to participate in positive afterschool environments nationwide.

Two more “Round-Ups” to support the Boys & Girls Clubs of Spokane County are scheduled at JCPenney’s in the Valley Mall this year: October 13-26 and December 1-14.
