

Congratulations to Faith Proctor, The Boys & Girls Club's 2010 Youth of the Year!

Faith received a \$1,000 scholarship towards her college education and she will receive a chance at the state title in Olympia, where she will have breakfast at the governor's mansion. Also, Faith and the runner up, Clint Brantley from the Northtown Branch, will tour England for two weeks in July as part of our foreign exchange program with the Boys & Girls Clubs of Essex.

Faith is currently a senior at Lewis & Clark High School where she has played on the varsity basketball and track team for the last three years and has maintained a 3.4 GPA while working two jobs to support her struggling family. Faith is seen by both her family and the staff at the Club as a pillar of strength. Most young people would buckle under the amount of responsibility she bears, and yet Proctor has only grown stronger. Proctor said, **“Winning the Spokane Youth of the Year title was not just for me, this was something that my entire family needed. We all needed something to lift us up during these difficult times.”**
